This risk assessment is a proactive assessment of the risks pupils and students may be exposed to, including offline and online risks, both in school/college and outside of school/college, with regard to child-on-child abuse and harmful sexual behaviour.

It is distinct from any individual risk assessment(s) that may be required following a concern or allegation of child-on-child abuse or Sexual Harmful Behaviour towards an alleged victim or alleged perpetrator. (Individual Risk Assessments need to be sent to the Head Teacher, Principal or equivalent Safeguarding Governor and Regional Director/ Operational Director)

It will be reviewed every term (as a minimum) and will feed into and inform the governors' oversight of safeguarding, and school's risk register.

Please use the Risk Assessment Rating Scale on page 5 to provide level of risk rating.

The risk assessment must be signed by each relevant party on page for following each review.
